

Title: Berserk Website

Creative Director: Cloud Guo

Design/Developer: Cameron Thompson

Pages:

Homepage:

- A warning sign page that requires the viewers to click "yes" to view the 18+ contents in the manga.
- The home page will be a general introduction to the manga.
- A image collection can be included.

Story page:

- This page will be a timeline from top to down showing the development of the story.
- Images should be placed besides important moments in the story

Character page:

- This page will include many characters from Berserk.
- It could be like a grid.

Legacy page:

- This page will include awards for this manga.
- Influence to game culture and media culture should also be included.

Color Palette:

The manga is black and white, so the not many colors expected.

Could be black and white in general. Some highlight content as red or yellow.

Large images can be placed as background for the website pages.
